

Dear Friends,

After months of preparation and a great deal of hard work and planning, the time we've all been anticipating is finally here – our Little Lake community is back together. Being together will be different this year, our theatre has been more active in finding creative ways to live, work, and play under current public health guidelines.

Each year, as we sit to compose these Director's Notes, we are swept away by the power of community. The cast, crew, production staff and our many community volunteers, work tirelessly to bring our stories to life for you amidst laughter, excitement, and the pure joy of working together. We are honored to be a part of this theatre, one that truly belongs to the community.

We are all thrilled to be presenting Disney's Frozen Jr. If you are new to our audience, we welcome you to the Lake and invite you to join our family. To our donors, sponsors, and forever friends we would not be here without you.

We would like to recognize the support of the Little Lake Board, the well-trained student apprentices and our theatre artists who add a great deal to our ensemble with their professionalism and talent. To the Little Lake Staff and volunteers who spend countless hours doing ticketing, food service, marketing, building sets, and managing the house during productions. Please know how much we value and appreciate all you do to make Little Lake possible. Thank you!

Little Lake starts with a blank stage and a vision. In just a few short weeks, a collaborative group of theater artists including the cast, director, and technicians experience together the wonder of transformation by bringing a story to life. We hope that you, too, are transformed by what you see. We hope that you are able to dream a little harder, believe a little more and recognize a joy that is found within yourself and others.

Thank you for your support of Little Lake and the power of community. We are very grateful you are here now sit back and enjoy the show!

Welcome Back!

COMING ATTRACTIONS

HONK!

Music by George Stiles
Book and Lyrics by Anthony Drewe

September 23 - October 2

A musical treat for all ages! This delightful, award-winning adaptation of one of the world's most beloved fables is a heartwarming celebration of what makes us special. Ugly looks quite a bit different from his darling duckling brothers and sisters. The other animals on the farm are quick to notice and point this out. Feeling rather foul about himself, the little fowl sets off on an adventure. On his journey, he meets a whole flock of unusual characters and discovers that different is not a bad thing to be.

Directed by Jena Oberg. Musical Direction by Holly Wine Jones. Featuring Milena Casciani, Sadie Crow, Madeline Dalesio, Seth Englesberg, Kate Erb, Sasha Erb, Kenneth Frankenbery, Darrin Friedman, Lily Gough, Kathy Hawk, Maher Hoque, Faith Hudson, Markella Jahn, Alana Landis, Sophia Landis, Dylan Lawton, Anthony Luisi, Lenna Marlowe, Christine Pittman, Mairead Roddy, Krista Strosnider, Jessica Tomsic, Johnny Traficante, and Sam Viggiano.

HONK! is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. www.MTIShows.com
